## FROM LÜBZ

Lübz is a small town with its town centre dating back to the middle age. It's also a great starting point for navigating the area from Mecklenburg to Brandenburg through **15,000 hectares of forests and across 33 lakes** covering over 54 km<sup>2</sup>.

The district of Lübz enjoys the most beautiful countryside in this region of Germany.

The river Elde is navigable for 180 km and has only 17 locks. In only five hours it is possible to reach Lake Plauer - one of the largest lakes in the region. On the northern banks there is a nature reserve of 300 hectares and a paradise for those who love nature and bird life.
